

 BERETTA

2026 **GUN ACCESSORIES WORKBOOK**
GUN SHOPS

BORN FROM A SPARK.

In every **legend**, there is a moment where it all begins.

A **spark** that ignites something greater.

Five centuries ago, that spark illuminated a path that still guides us today.

A fire that burns brighter than ever, alive in every innovation, every craft, every step into tomorrow.

Some names are carved into time.

Others are forged in fire. Beretta is both.
